MOMENTS OF MYSta

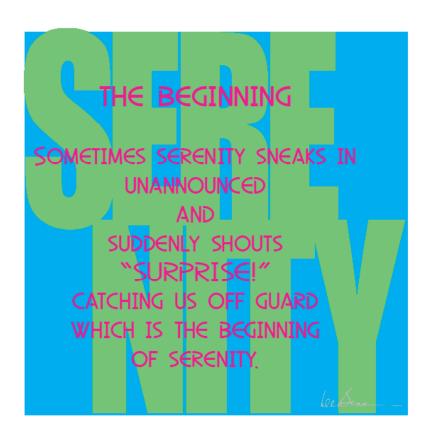

BEGINNINGS: seven days of springboards for reflection

The mystery found in the everyday moments of our lives is a significant part of the story we live. As the days unfold, we may have special moments: perhaps a word heard, a sight seen, a thought caught, a feeling felt, a burning bush.

If only briefly, these moments grab us and the invitation is there to STOP, LOOK, LISTEN! In the busyness of our daily lives, we sometimes hurry past these "bushes" and their significance is lost to us.

MOMENTS OF MYSTERY is a journal designed to bring new understanding to everyday occurrences in your life. For a brief time each day, it invites you to stop, to look and to listen. The springboards on each page will help you reconnect to your moments of mystery. The white space is for you to type, write or doodle your reflections. Prompts for thoughts are at the bottom of the page.

I invite you to fall back into memory and spring forward to renewed insight and meaning.

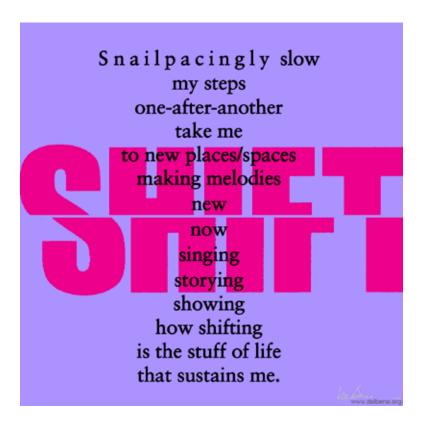

what sneaks into your life? what is it like for you to be caught off guard?

are you an arranger? what are you willing to pawn?

where are you standing? are you conTENT with your CONtent?

how do you step into new places/spaces? what sustains you?

```

    My lamp lights
wthe harrow streets
of my mind's heart,
        and walk
seeking wisdom
branded still burning hot with indentured love.

in wisdom's company.

what or who has branded you? do you know when you are accepted?

what life lessons are in your quilt? for whom do you create warmth?

where is your space? what is your bliss?
